Finding the perfect loan can feel like a maze. With thousands of different loans available even knowing where to start can be overwhelming.

Patrick is your local mortgage adviser and can help you navigate the home loan process. No matter what type of loan you're looking for and regardless of your circumstances, he has the connections and relationships to find you the best package for your needs.

Covering all areas of West Auckland and with access to over 30 lenders you know and trust Patrick's commitment is to take the legwork out of finding you the right loan.

With a wealth of experience and knowledge in securing finance for self employed borrowers, first home buyers, property investors, complex applicants and those looking to refinance,

Patrick works with you to make sure you get the right interest rates, structure and flexibility for your particular situation.

Patrick's focus is always on making sure your borrowing experience is a good one. He'll keep in close contact throughout the application process and is always available to talk through any concerns or questions.

Outside work Patrick enjoys going to the movies, watching live bands and performing country music as part of "The Brewster Brothers".
